To

The Chief Secretary to the Government of
H. H. the Maharaja of Mysore,
Bangalore.

Sir,

With reference to your letter No.G.1456-Med., dated 20th July 1920, I have the honor to state that I called for Mr. Kazim's certificates and find that he was attached to the Royal Infirmary and Victoria Hospital for sick children, Hull, for a period of one year and nine months as House Surgeon and House physician as well and has acquired much experience in treating children and in performing "with skill and success, operations on tonsils etc."

Mr. Kazim appears to be fully qualified to be placed in charge of a Children's Ward which may, with advantage, be opened in the Victoria Hospital as is done in the Krishnarajendra Hospital, already.

There is, however, no accommodation at present, for opening a new ward. But when the Out-patients' department is removed to the dispensary which is under construction sufficient accommodation will be found for a Children's Ward and proposals in that behalf will be submitted in due course.

I have the honor to be,
S i r,
Your most obedient servant,

C.A. Ranjappa
Offg. Senior Surgeon.
